Lake County Approved List of “Local” Archaeological and Cultural Consultants

Below is a list of individuals, firms and institutions who may submit cultural resource surveys and other archaeological studies for projects within Lake County. The list consists of archaeologists located within Lake, Sonoma, Napa, Mendocino, Colusa, and other nearby counties who have requested listing on the California “Referral List for Historical Resource Consultants.” All listed consultants have satisfactorily documented that they meet the United States Secretary of the Interior’s Standards for the archaeological profession.

This local list is provided to applicants by the Community Development Department as a convenience for those who need to hire an archaeological and/or cultural consultant. Applicants may hire any consultant on this list or the full, state-wide referral list. The full, 25-page list is available upon request from the Community Development Department or from the California Historic Resources Information System, Office of Historic Preservation at (916) 653-6624.
