Lake County Mental Health is announcing the public hearing for the Mental Health Services Act (MHSA) FY 2011/12 Plan Update to the Three-Year Program and Expenditure Plan for the Workforce Education and Training (WET), Innovation (INN), and Capital Facilities and Technological Needs (CFTN) components, as well as the MHSA Issue Resolution Process.

The public hearing will be held at 12:00 noon on Friday, December 9, 2011 at the Historic Courthouse Museum located at 255 North Main Street in Lakeport.

The Mental Health Services Act has been providing funding to Lake County since 2005 to support a variety of initiatives to assist mental health consumers and their families in the local community. These initiatives include direct services and supports as well as prevention and early intervention programming. Input from consumers and their families, partner agencies, and representatives from cultural and ethnic populations in Lake County aided in the development of these programs through the Community Program Planning process as required by the Act. At this time, the public is invited to hear the plans for Workforce Education and Training, Innovation, and Capital Facilities & Technological Needs, as well the MHSA Issue Resolution Process.

These plans may be viewed on the Lake County Mental Health website at www.co.lake.ca.us/Government/Directory/Mental_Health/MHSA.htm.
