Also, please be aware that if you are a registered voter and your mailing address has changed, official voting materials (sample ballots, vote-by-mail ballots, etc) **cannot** be forwarded to another address and will be returned to the Registrar of Voters office by the postal service. **Residents may personally phone the Registrar's office to verify if their voter registration information is correct and up-to-date.**

A completed voter registration form must be either personally delivered to the Registrar of Voters office on or before August 30, 2021; or, postmarked on or before August 30, 2021 and received by mail by the Registrar of Voters office or complete an online voter registration form on or before 11:59 pm on August 30, 2021.**
