

STATE LEGISLATIVE CANDIDATES' STATEMENTS OF QUALIFICATIONS

The following pages may not contain a complete list of candidates. A complete list of candidates appears on the Sample Ballot. Pursuant to Government Code Section 85601(c), only a candidate who accepts voluntary expenditure limits may purchase space for a statement.

CANDIDATE FOR THE OFFICE OF MEMBER OF THE STATE ASSEMBLY – 4th District

MATTHEW L. NELSON

Education and Qualifications: People of California need and deserve to be accurately represented. Many Californians voices must be heard, not ignored. The People, many businesses (regardless of political affiliation) are fleeing California in extremely high volumes.

I am strongly opposed to and will never support Job killing Bills such as AB5, over taxation, government overreach, using intended taxes, redirecting them for agenda driven gain. I oppose stealing retirement funds i.e. CalPERS, using climate change as an emotional tool, or allow billions of gallons of fresh water to flow out to sea. California's drought is increasing, affecting Agriculture, the heartbeat of our State.

PG&E PSPS's, have cost businesses millions of dollars. California has the highest taxes nationwide. We must reduce taxes for business, private citizens. We must overturn SB 54, Prop 47 & 57. We must stop releasing violent criminals, under the guise of Covid-19. We must protect, fully fund our Law Enforcement Officers and Firefighters. Politicians need to follow my lead, working on a reduced salary. The funds saved, will be used to help PAL programs, student scholarships etc. Why? Because Californians deserve better. Staff salary reduction will save North of \$400,000.00 annually.

My background and experience:

Law Enforcement (Native American Tribal Police, Corrections at MCSO),

Volunteer Firefighter

Fire Evacuation Operations – served thousands of displaced human and animal lives, beginning in 2015 and as recent as the 2018 Camp Fire.

Founder – Lake County Disaster Response Team

Husband & Father

You deserve to live Free, Safe and Happy. Help me Save Our State.

s/Matthew L. Nelson

CANDIDATE FOR THE OFFICE OF MEMBER OF THE STATE ASSEMBLY – 4th District

CECILIA AGUIAR-CURRY

Education and Qualifications: Our communities have faced many challenges, but the unprecedented healthcare and economic impacts of the pandemic have left many residents anxious and confused. My staff and I are working 24/7 to help.

Our economy has been hit hard, but reserves built up through prudent fiscal management have allowed legislators to provide vital emergency funding for health care services and direct payments to residents and businesses.

After a tough budget fight, we protected many important priorities: schools; access to healthcare for all; direct financial aid to families, workers, and businesses; and support for seniors and those hardest hit by coronavirus.

Unfortunately, the effects of the pandemic are not over. Saving lives and livelihoods will require a steady hand, common sense, and a commitment to our core values and principles. Meanwhile, challenges we face every year - wildfires, drought, a lack of healthcare access in poor and rural communities, homelessness, poverty and income inequity - demand hard work and collaboration.

I will continue to: work with state and local leaders to ensure healthcare providers have the resources they need; support public education and working families, women and children; fight for our district in a time of scarce resources; protect agriculture and the environment; push for reliable broadband service - so crucial in times like these - in all communities; and assure equal opportunity for every Californian.

Our office is working closely with city, county and state agencies to help residents and businesses. For updated information or assistance, go to www.CeciliaforAssembly.com.

CANDIDATA PARA EL CARGO DE MIEMBRO DE LA ASAMBLEA DEL ESTADO – Distrito 4

CECILIA AGUIAR-CURRY

Educación y Calificación: Nuestras comunidades han enfrentado muchos desafíos, pero los impactos económicos y de salud sin precedentes de la pandemia han dejado a muchos residentes ansiosos y confundidos. Mi personal y yo estamos trabajando las 24 horas del día, los 7 días de la semana para ayudar.

Nuestra economía se ha visto muy afectada, pero las reservas acumuladas a través de una gestión fiscal prudente han permitido a los legisladores proporcionar financiamiento de emergencia vital a los servicios de atención médica y pagos directos a los residentes y las empresas.

Después de una dura lucha presupuestaria, protegimos muchas prioridades importantes: las escuelas; el acceso a la atención médica para todos; la ayuda financiera directa a las familias, los trabajadores y las empresas; y el apoyo para las personas de la tercera edad y los más afectados por el coronavirus.

Desafortunadamente, los efectos de la pandemia no han terminado. Salvar vidas y medios de vida exigirá una mano firme, sentido común y un compromiso con nuestros valores y principios fundamentales. Mientras tanto, los desafíos que enfrentamos cada año (incendios forestales, sequías, falta de acceso a la atención médica en comunidades pobres y rurales, falta de vivienda, pobreza e inequidad de ingresos) exigen trabajo duro y colaboración.

Continuaré: trabajando con los líderes estatales y locales para garantizar que los proveedores de atención médica tengan los recursos que necesitan; apoyando la educación pública y a las familias trabajadoras, las mujeres y los niños; luchando por nuestro distrito en tiempos de escasos recursos; protegiendo la agricultura y el medio ambiente; impulsando un servicio de banda ancha confiable, tan crucial en tiempos como estos, en todas las comunidades; y garantizando la igualdad de oportunidades para todos los residentes de California.

Nuestra oficina está trabajando en estrecha colaboración con las agencias de la ciudad, el condado y el estado para ayudar a los residentes y las empresas. Para obtener información actualizada o asistencia, visite www.CeciliaforAssembly.com.
