**Explanation:** The Lake County Housing Commission (LCHC) is required by law to provide reasonable accommodations to disabled applicants, residents, and participants in its programs when the accommodations will facilitate their ability to function and provide equal opportunity to use and enjoy our housing programs. Applicable federal and state law defines "disability" with respect to the individual as (1) a physical or mental impairment which substantially limits one or more of such person's major life activities; (2) a record of having such an impairment; but such terms do not include current illegal drug use or addiction to a controlled substance, or an alcoholic who poses a direct threat to property or safety because of alcohol use. The following questions may help determine whether the applicant, resident, or participant (or a member of the household) has a disability.

1. Name of Applicant/Resident/Participant: \_\_\_\_\_

2. In my professional opinion and assessment:

- The Individual requesting the accommodation(s) has a disability** based on one or both of the following legal definitions: (please check each that applies)
- He/she has a physical or mental impairment that limits one or more major life activities; or
- He/she has a record of having such impairment.
- The Household Member requesting the accommodation(s) does not have a disability.**

3. Please check **only one** of the following:

- I certify that the Request for Reasonable Accommodation is necessary for the Applicant/Resident/Participant to have an equal housing opportunity as result of his/her disability.
- I do not certify/believe that the Request for Reasonable Accommodation is necessary for the Applicant/Resident/Participant to have an equal housing opportunity as result of his/her disability.

4. Please describe the relationship between the reasonable accommodation and the disability:

- **Unable to care for oneself, live-in aide or caretaker needed:** please provide the particulars of services needed and the length of time (hours or days) that assistance is needed.
- **Walking:** please state the distance the applicant, resident, or participant is able to walk. You may give distances and/or how long the applicant, resident, or participant can stand.
