5. By Laws (Bonnie and Angela added some new info)
  - a. Continue working on this
  - b. DRAFT completed by January 16<sup>th</sup>
  - c. Delegate sections if needed
  - d. Action: schedule bylaws work meeting January 9<sup>th</sup>, invitation sent out
6. For cities only: Notification for SB 205 requirement for business licenses applications or renewal have industrial general permit. Info can be found at this link:  
[https://leginfo.legislature.ca.gov/faces/billTextClient.xhtml?bill\\_id=201920200SB205](https://leginfo.legislature.ca.gov/faces/billTextClient.xhtml?bill_id=201920200SB205)
  - a. Some background information: <https://www.wwdmag.com/industrial-water/sb-205-california-regulate-storm-water-pollution> Lakeport is already incorporating this, Clearlake will check and send notice
  - b. Please CC angela on any emails you send to the applicable departments notifying them of this new requirement so that I can keep the record for OUR MS4 compliance, as part of the IDDE.
7. Open Forum? Bonnie asked about BMP inventory list for TMDL TSO, and basically there is no pre-existing structure, and not really much specific direction in TSO, either follow other examples / create some structure, can get water board review prior to final report submission
8. Next Meeting
  - a. **January 16<sup>th</sup> In Clearlake 3-4:30pm**
  - b. Second January Meeting Thursday the 30<sup>th</sup> for Management Council Meeting Prep 3 - 5pm **Action Item: Angela Send out invite for this**
