- Show up, be on time, be prepared
- Practice active Listening – Listen respectfully and appreciatively, Ask questions to clarify understanding, Rephrase what you heard to confirm understanding
- Focus on Issues –
  - Speak to the question or issue under discussion, and to the group, not to an individual
  - One person speaks at a time – avoid side bars and chatting or messaging during meetings
  - Keep comments short if possible – avoid monopolizing the discussion or making a speech
  - State what you think, not what others think
  - Allow the facilitator to 'direct speaking traffic'
  - Leave outside concerns outside – Silence cell phones, Limit background noise when possible
- Person-First Language -
  - A person with a mental illness, not the “mentally ill”
