- Practice before the meeting (join a Zoom meeting and test your internet and audio-video connection).
- Make every effort to find a location with limited background noise.
- Make every effort to limit distractions and turn off or mute other devices and notifications.
- If choosing to share your video, provide good front lighting and darker backlighting, adjust your camera to eye level and try to look at the camera instead of the screen when talking, and be aware that your surroundings will be visible to the public unless you set up a virtual background.
- The Zoom meeting will be open to join 15 minutes early to allow time to address technical issues.
- Please be aware that we have requested members of the public to call in before the meeting begins
