Notice from Lake County Health Officer and Environmental Health Director

Food facilities are required to increase sanitation including additional disinfecting and cleaning to avoid the spread of COVID-19. All human contact surfaces must be cleaned and sanitized at least every hour. As you know COVID-19 can survive up to 72 hours on most surfaces. Food facilities are required to clean and sanitize according to schedule below.

Surface	Sanitizing Schedule
Retail Check stand (Cashier)	Prior to each customer transaction
Credit Card Reader/Pinpad	Prior to each customer transaction
Bathroom Surfaces (Public or Employee Only)	At least once per hour
Cooler/Freezer Handles	At least once per hour
Entry Door Handles/Surfaces	At least once every half hour
Any other surface customers/employees interact with not listed	At least once per hour

We thank you for your attention to the most serious matter. Should you have any questions regarding this order, or any other matter that we can assist with, please contact this office at (707) 263-1164.

Gary Pace, M.D.
