NOTICE OF IMPENDING POWER TO SELL TAX-DEFAULTED PROPERTY

Made pursuant to Section 3361, Revenue and Taxation Code

Pursuant to Revenue and Taxation Code sections 3691 and 3692.4, the following conditions will, by operation of law, subject real property to the tax collector's power to sell.

- 1. All property for which taxes and assessments have been in default for five or more years.
2. Any property for which taxes and assessments have been in default for three or more years and a person or entity that has recorded a nuisance abatement lien on that property has requested the property be sold.
3. Any real property that serves the public benefit by providing housing or services directly related to low-income persons, for which taxes and assessments have been in default for three or more years, and has been identified and requested by a city, county, city and county, or nonprofit organization to offer that property at the next scheduled public auction.

The parcels listed herein meet one or more of the criteria listed above and thus, will become subject to the tax collector's power to sell on July 1, 2021, at 12:01 a.m. , by operation of law. The tax collector's power to sell will arise unless the property is either redeemed or made subject to an installment plan of redemption initiated as provided by law prior to the close of business on the last business day of June 2021. The right to an installment plan terminates on the last business day of June 2021, and after that date the entire balance due must be paid in full to prevent sale of the property at public auction.

The right of redemption survives the property becoming subject to the power to sell, but it terminates at the close of business on the last business day prior to the date of sale by the tax collector.

All information concerning redemption or the initiation of an installment plan of redemption will be furnished, upon request, by Barbara C. Ringen, Lake County Tax Collector, 255 North Forbes Street, Room 215, Lakeport , California 95453 Telephone (707) 263-2234

The amount to redeem, including all penalties and fees, as of June 2021, is shown opposite the parcel number and next to the property address.

PARCEL NUMBERING SYSTEM EXPLANATION

The Assessor's Parcel Number (APN), when used to describe property in this list, refers to the assessor's map book, the map page, the block on the map, if applicable, and the individual parcel on the map page or in the block. The assessor's maps and further explanation of the parcel numbering system are available in the Assessor's Office.
