I am a third generation Lake County resident and father a son who is planting his own roots as a Firefighter for Lakeport Fire Protection District. I have spent years trying to make Lake County a better place to live and work by volunteering in my community. I volunteered on the Clear Lake High School boosters for six years. I have worked for the Nor Cal High School Cycling League for eight years bringing high school cycling events not only to Lake County, but to many other counties in Northern California as well. I've spent countless volunteer hours mapping, building, and maintaining multi-use trails in Lake County, and I am currently serving on a county steering committee to develop additional trails for public use. And for the past three years, I have proudly served on the City of Lakeport Planning Commission.

My family has been a part of this community for many years operating businesses and building many of the buildings local businesses call home today. I want to continue serving my community as your District 4 Supervisor and do my part as a voice of the people, so we can continue building a better community together.
