My education and qualifications are:

Integrity and fairness are the cornerstones of a just society, and these principles are paramount when it comes to the role of a judge. They guide me every day as a Superior Court Judge. As a dedicated public servant in Lake County, I am committed to upholding the Rule of Law, ensuring that every individual's voice is heard with the utmost respect and impartiality.

In 2018, I was the first woman to be elected as a Lake County Superior Court Judge. I initiated the county's first mental health court, collaborating closely with local authorities. I will continue this effort during my second term with the launch of CARE court in 2024.

My extensive legal career encompasses criminal, governmental, and civil law. I've served as a Deputy District Attorney and Deputy County Counsel for Lake County, and as General Counsel and Litigator for prominent law firms and Sovereign Tribal Governments. I am a member of the Lake County Bar Association and the State of California Bar Association and a UCLA School of Law graduate.

I understand the value of hard work, having put myself through college and law school. I look forward to leveraging my education and experience to continue serving our community with unwavering dedication and integrity in the position of Superior Court Judge for Lake County. www.ReelectJudgeShandaHarry.com

My education and qualifications are:

I moved to Lake County in 2008 from Contra Costa County. I came to Lake County on the public defender contract and I fell in love with the people, the job and the natural beauty of the lake. After settling in Lakeport, I served the county doing misdemeanors and representing people in the county public guardian conservatorship cases. I started my private practice in 2010. I obtained my Bachelor of Arts degree from UC Berkeley and obtained my law degree from North Western California School of Law. I obtained my license to practice law in 2002 and began working appointed criminal and dependency (child abuse) cases.

My inspiration to become an attorney was to focus on prison reform issues; I interned with the Prisoner's Rights Union and the Prison Law Office. I also have a business background and worked in my family's art supply and model making business in San Francisco. I am an experienced litigator and I am aware of the needs of our legal community. Lake County needs a dependable, honest and hardworking Judge. If elected, I will bring both integrity and experience to the job.
